I am pleased to extend my best wishes to India Health Dialogue (IHD)- A platform to transform health and health care for the future. This stakeholder platform provides global opportunity to the discuss, deliberate , collaborate and provide solution on the critical issues related to healthcare .

IHD is working to promote health care services which encompasses smart healthcare deliveries, augmenting manufacturing capabilities in Medical sector and commercialization and adoption of new innovations for building and end-to-end robust ecosystem for transformational outcomes.

Government of India under the visionary leadership of Hon'ble Prime Minister Shri Narendra Modi ji has taken various health initiatives to provide better health services to the citizens of the country. IHD has a vital role in terms of showcasing Indian story to the world in most compelling way offering global opportunities.

I applaud IHD's integrated approach and concerted effort in bring all stakeholders on a platform to take Indian Healthcare forward and its potential to act as a catalyst in fulfilling the mission of providing Accessible, Affordable, Sustainable and Near-to-door step Quality Healthcare to all.
