Letter of Appreciation

I am writing to extend my heartfelt appreciation for your exceptional contributions and unwavering dedication to promote Indian businesses and economy. Your efforts have significantly impacted MSME and Rural sector and your commitment to excellence is truly commendable.

You have been instrumental in strategising the vision of the Ministry of MSME, GOI and implementing the vision for transforming MSME landscape of the country and bringing transformational outcomes through facilitation and integration of major stakeholder.

Your ability to advise and facilitate on the critical issues and providing practical solutions for the transformation of Indian industry and economy is a testament to your extensive knowledge and profound understanding on the subject matter.

In particular, your path breaking work on promoting global business engagement and facilitation platforms for building robust ecosystem like Rural Economic Forum, India Manufacturing Dialogue, India Health Dialogue, Project ONE FUTURE & Smart and Sustainable Gaushala's (SSG's) Model etc. have been exemplary. These platforms are seamlessly working to transform India's future into global economic power.

Today, India Chamber's contribution is invaluable and has emerged as our key ally and compelling voice of industry and incredible platform for promotion of global investments and business facilitation thereby supporting and showcasing India's story to the world.

On behalf of Ministry of MSME, Government of India, I extend my deepest gratitude for your exceptional service.
